The slow but consistent progress of the new school.

This year has been one of headaches, frustrations, and anger. It has also been one of happiness, high spirit, and anticipation. These feelings are only natural when a school is one yet two. The problems of communication and transportation added to our difficulties with wrong dates, times, misunderstandings, etc.

We have tried in this book to pull the schools together into one main stream, but we also have tried to show all emotions of being in two schools to help you remember more clearly how the school year actually was.

Warrior Trails Dedicated To School Superintendent

Mr. William C. Gohl was born and raised in Kewanna, Indiana. He graduated from Kewanna High School and attended Manchester College. He received his A.B. and M.A. degrees from Indiana University. In 1930 he started teaching and coaching at Scott, Indiana. He was there for sixteen years, the latter years as principal.

In 1946, he went to LaGrange, Indiana, as principal and remained there until 1953 when he went to Topeka as principal and Superintendent of the Westview School Corporation in 1963.

Mr. Gohl's experiences and his life's work in the educational field are interwoven into these various communities.

The Scott High School and elementary grades merged with Shipshewana forming Shipshewana-Scott. Finally the Shipshewana-Scott School district was united with the Topeka Metropolitan School District to become the Westview School Corporation.

As he continues to work in bringing the two high schools into the new building in the 1967-68 year, the staff dedicates this annual to Mr. Gohl for his labors of the past and his dreams for the future.

Senior Play

CHEAPER BY THE DOZEN

Dad, a terrific efficiency expert, believes what works in a factory will work in the home! He pushes ahead with better organization for his large and delightful family. Dad, with a heart condition, (his secret) knows that he's on borrowed time, and that's why he's doing his best to make his family efficient and get them as far along through school as possible. Dad doesn't understand high school girls, and when Anne, the oldest daughter, rebels and gets a date, it leads to all sorts of complications.

Junior Play: TWO'S A CROWD!

When the three Maxwells found themselves "in charge" of their home, during the absence of their mother, Pat persuades her brother and sister to rent rooms to "tourists" --thereby easing the family's supposed need for funds. Mamie Beggs, cook, maid, and amateur detective and one of the funniest characters ever seen, refuses to become involved, but when the house is full of a great assortment of would-be tenants, Mamie involves everyone by suddenly developing a case of the measles, which quarantines the whole crowd for two weeks. Although Mamie is sure the mysterious Albert Wilson, his wife and glamorous daughter, Annabelle are criminals. Annabelle becomes the unwilling means of bringing romance to Dot Maxwell and Patricia's love-lorn slave, Willie Peabody, also an unintended guest, stumbles on the key to the Wilson's mystery; and just as Pat decides people are pretty easy to get along with after all, a surprise ending brought the play to a riotously funny climax.

SECOND ROW: Dena Mishler, Bill Schlabach, Ulonda Mishler, Kaye Hostetler, Elaine Yoder, Marcia Norris, Sue Glick, Belinda Wilson. FRONT ROW: Judy Mishler, Ron Weaver.

Junior Play: THEY GAVE HIM A CO-ED

Of all the whacky plots ever conjured up in the fertile mind of a dramatist this is our choice for top honors. Maybe the term "screwy" would better describe it. The set is that of a lounge room in a college assembly building. The topic of the hour is the new Dean, Charles Bradley Brown, whose arrival is momentarily expected. In pops a new student with the coincidental name Dean Brown. He's a plain, unvarnished American boy, simply unmindful of his many educational shortcomings, yet frank and breezy as youth can be. His name electrifies the group of students and then the fun market begins doing business. Dean is assigned one of the girls as his secretary. The Registrar persists in giving Dean an advance on his salary. Poor guy, he's thrown overboard in a maelstrom of riotous happenings that would be chaotically bewildering were it not that they are so cleverly knit together into a perfect story for high school players. When the real Dean comes along he's mistakenly thought to be an escaped lunatic.

Students
Administration
Faculty — Staff
The
Academic
Team

Though sometimes forgotten with extracurricular activities, academic learning is the main purpose of school. The class room is not just a place to memorize dates, poems, etc.; but a place to learn to get along with people and to accept the authority of the teachers, and purpose for life.

We have been fortunate at Westview High School to have friendly and understanding teachers. We appreciate their hard work, and in the years to come we will look back with fond memories.

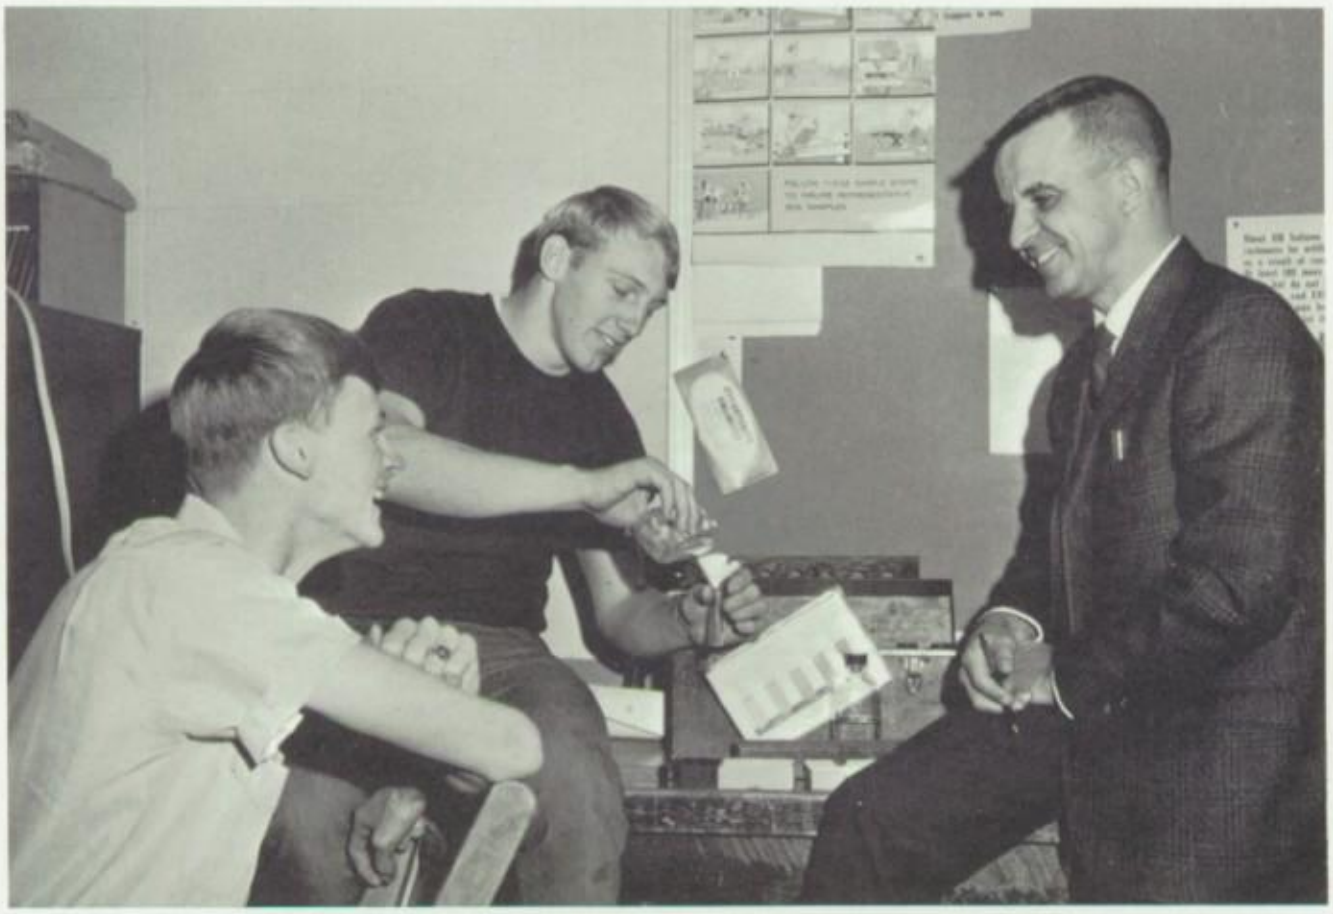
Voc. Ag. Classes Prepare For Farm Life



Roger and Buford learn the fundamentals of soil testing.

For those boys with their eyes on an agricultural future, Mr. Williams' classes proved to be very helpful. The student's daily work included the study of grains, dairy judging, and the keeping of accurate farm records.

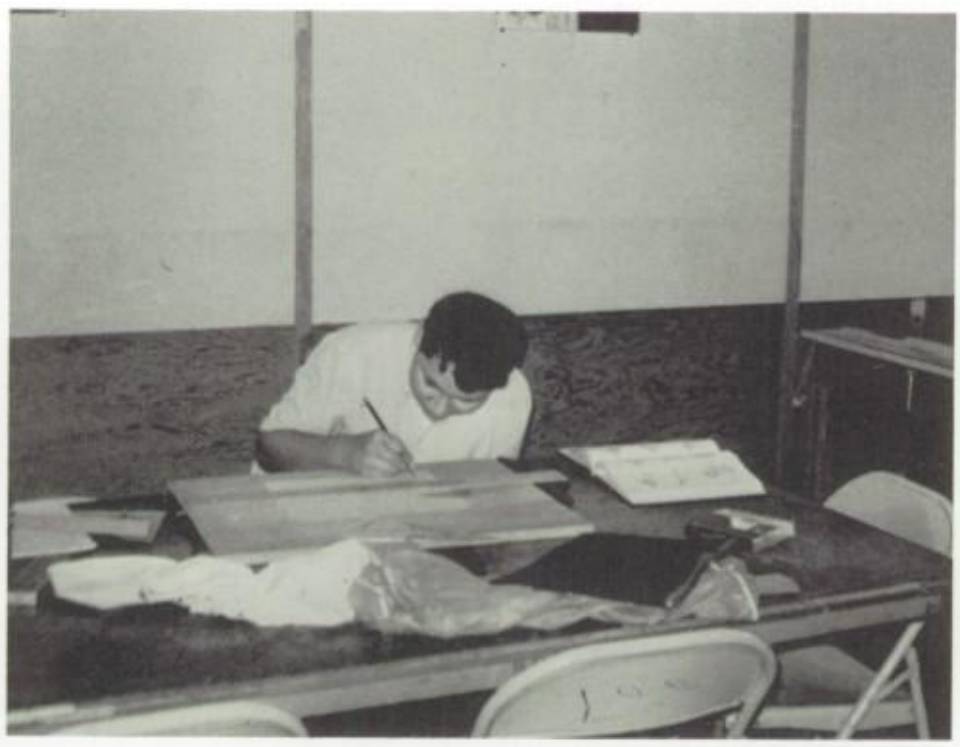
The boys also repaired and painted several pieces of farm machinery through the winter months.

The boys learn to paint and repair farm machinery in Agriculture class.

Miss Fullerton helps a new student with make up work.

Art Is Both Artistic And Practical

Jerry Yoder works on his assignment in mechanical drawing.



In the past year Miss Fullerton has been kept busy teaching three classes of Technical Drawing, one of fine arts and one class of crafts.

The craft's class has made numerous things as projects. They have made things from leather, metal, shell, jewelry, texile paintings, and plastic flowers.

Industrial Arts

The Industrial Arts classes under the teaching of Mr. Baumgartner have had varied activities this year. The first year Industrial Arts classes had four fields to work in: metal, electricity, woodworking, and mechanical drawing. They were required to make a project in each area. The second year classes had woodworking all year. The third year classes studied mechanical drawing.

The students are looking forward to the new equipment and an expanded program in the new school.

Mr. Baumgartner also helps as senior sponsor.

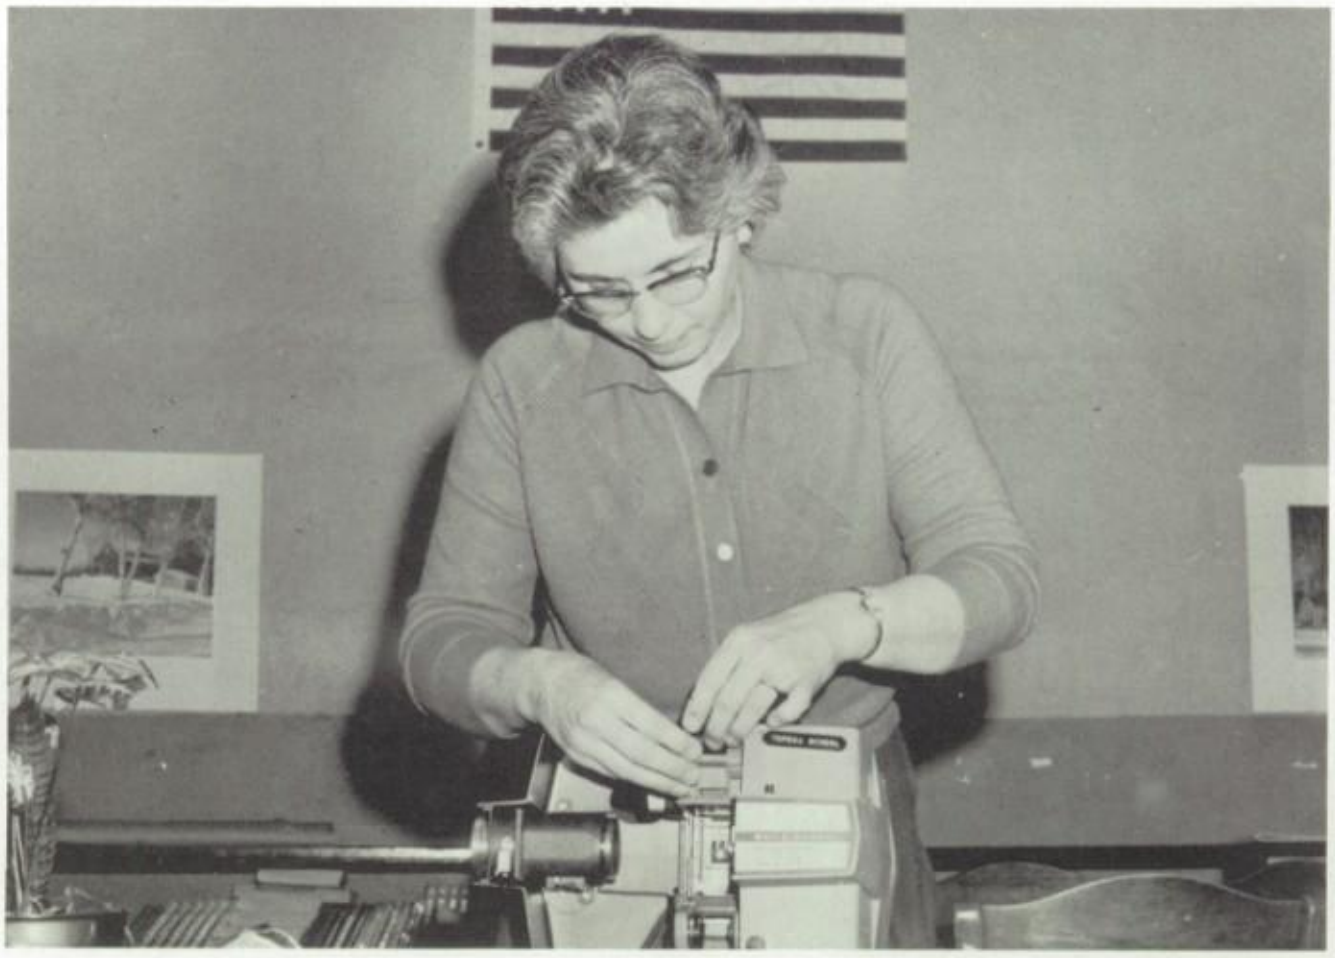
The ninth and tenth grades worked hard on their tape recorded speeches, book reports and panel discussion.

The eleventh grade made a thorough study of Ben Franklin's Autobiography, wrote essays and memorized poems.

The Seniors made book reports, speeches and also studied Parliamentary Procedure.



Mrs. Lehman uses A-V aids in Latin.

Other Cultures Shared

Guest speaker Mrs. Nisely.

To be able to understand the Spanish speaking people better, the south building Spanish class wrote term papers on Spanish speaking countries. They also gave speeches and a puppet show, all talking was done in Spanish. In the north building Spanish classes, singing was enjoyed by all students every Friday. They also gave speeches and had a guest speaker from Bolivia. The Latin I classes studied the Trojan War besides the other regular Latin studies of grammar and vocabulary, Latin II continued their study of the Roman's Language with Ceasar's War memoirs.

The Commerce Department Builds Basic Skills Of Business

The commerce department under the leadership of Mrs. Johns and Mrs. Rehm completed several practice sets during this year to help make more meaningful the information taught.

There were many educational trips taken by the students. Five seniors attended a secretarial seminar at South Bend and visited the offices of Miles Laboratory in Elkhart. Other trips were taken to Lincoln Life Insurance Company, International Business College in Fort Wayne, the offices of Flint and Walling, McCray's and a telephone company. A speaker from the Social Security office in Elkhart showed a film.

Some income tax accounting was done in the Bookkeeping and Economics classes. They tried stock speculation in Economics where commercialism was stressed. Shorthand mainly consisted of dictation and transcribing.

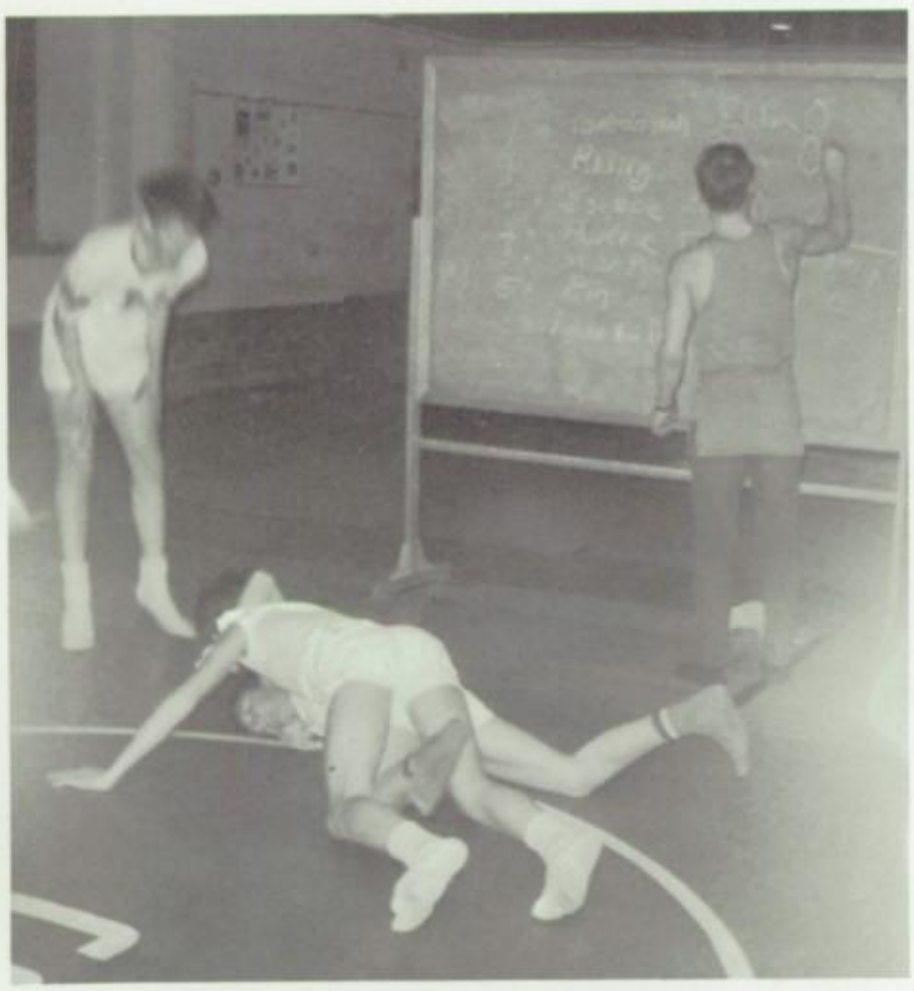
Physical Ed Classes Build Strong Bodies



Wrestling can be fun as well as a good body builder.

The activities of the Physical Education classes were extensively broadened this year with the use of the new equipment purchased last summer.

Several physical fitness tests were administered to the different groups. Results of the Indiana State Physical Fitness Test were posted in the north building.

Round robin tournaments were held in the girls physical education classes throughout the year. The girls at the north building also had a student teacher, Miss Barbara Anderson, from Goshen College.

The Science Department Year Highlighted By Science Fair

Organizations Add Spice

The school year is never right without those extracurricular activities. Without these activities there would be so much time on the hands of the students, that they would not know what to do.

Although they provide the students with fun, they also provide the student with a well-rounded education.

The class of '67 encourages all students to participate in at least one extra-curricular activity, because activities add that little bit of "spice" to your school life.

Annual Staff Produces First

The yearbook staff has worked long and hard after school and in the evening in order to make this, the first Westview Warrior Trails,

There were many discouraging times but there are some compensations, too. Because of the help from an efficient editor and capable sponsors, the staff had a good time while producing a lasting book of memories.

It is the hope of the staff that those who read the book may enjoy it and that it will help to keep this year's activities before the students and faculty in the years to come.

New School Paper Named THE ➳A-R-R-O-W➔

This past year marked the beginning of the new Westview High School Newspaper. A contest was held among the students to choose a name for it. THE ➳A-R-R-O-W➔ submitted by Kaye Hostetler, was finally chosen over many other good entires.

The staff members attended a journalism institute at Ball State University on April 29. One of the assistant editors, Jerry Yoder, attended a two-week seminar at Indiana University during the summer.

The newspaper was published bi-weekly. There were many disappointments, discouragements, and late hours during the year. It was worthwhile, though, when THE ➳ARROW➔ came out and an occasional compliment was given.

G.A.A. Hosts District #3 Play-Day

Students are served refreshments at the Sweetheart Banquet.

The combined Girl's Athletic Association was organized early in the school year. The girls met every week with a few interscholastic meets.

In March they hosted the District 3 play day. The G.A.A. worked hard and had a very rewarding year.

The G.A.A. sponsored the Sweetheart Night, also.

The new Early Birds Club was organized at the North Building this year. Mr. and Mrs. Wechter were the active sponsors. The purpose of the club was to promote gymnastics. They were called Early Birds because they met from 7:00 A.M. to 8:00 A.M. In April they presented an assembly program to show the skills perfected during the year. Some of the most enjoyable experiences came on the trampoline, parallel bars and balance beam.

National Honor Society Inducts New Members

Sixteen new members were inducted into the National Honor Society in a candlelight ceremony on April 21. This ceremony brought the total membership to twenty-six. Membership is based upon the student's academic achievement, character, leadership qualities and service, and does not exceed 10% of the student body.

Future Teachers Look Forward To Next Year

The F. T. A. has an organized club at the south building. Miss Fullerton, the sponsor, was unable to be with the club during the first semester and so the group was rather inactive. During the second semester they were called upon to help the elementary teachers a few times. Temporary officers have been elected with the opening of school in the fall, when interested students from both buildings will be invited to join.

The Future Nurses Club

The F. N. C. is a newly organized club designed to help girls gain new insight on the professional world of nursing. Some jobs of Candy Stripers include washing rubber gloves, feeding patients, and helping in any way they can. Each girl has an opportunity to come in contact with patients, and to be of service to them.

Library Clubs

Keeping books in place, shelving new books and helping to check books from the library have been among the most common of the Library Club's activities. The combined clubs sponsored a skating party at Eby Pines for the pleasure of students from both buildings.

The north club sold felt tip pens as a project for the year. A field trip to Warsaw was sponsored by the south club for the juniors and seniors in May.

The Future Homemakers of America's main project at the north building for the year was to paint red pieces of material to sew on the back of the old track uniforms changing them to say Westview High School. This project not only increased their treasury, but saved the Athletic Department some money.

In the spring they ended the year with the annual Spring Style Show featuring all clothing projects of the Home Ec. classes and took a field trip to Indianapolis.

The Westview Warrior Booster Club was especially important this year in promoting school spirit. They enthusiastically supported the team at every game. The Booster Club played a major role in helping to draw the students from the two schools together and overcoming the many problems of consolidation.

The members of the club chose red ponchos trimmed with gold braid as the standard mode of dress for the games.

Under the direction of the sponsors, Mrs. Harp and Mrs. Frain, the Booster Club held two parties. One was celebrating the B-team's capture of the NECC tourney crown. The other was celebrating the varsity's second place in the Sectional and most important, our victory over the Lakeland Lakers.

Sports Bring The Schools Together

Sports, this year, was the one major thing that tied the two schools as one. Although in separate buildings, the cooperation of everyone succeeded in turning out an overall winning season throughout this first year as Westview High.

Summer baseball began this year's sporting events with an exceptional season record for the team.

Baseball led into Cross Country where the boys can be commended for their hustling, fine attitude, and sportsmanship.

"Hoosier Hysteria" is the term that truly fits the tremendous spirit and loyalty that was shown to our great Warriors throughout the basketball season. The boys exhibited the sensational teamwork and cooperation that is needed in defeating an arch-rival and going into the final game of the Lakeland Sectional.

The Warrior track men provided many exciting and thrilling moments for the faithful fans who showed their enthusiastic support to the Warrior team.

Golf was also revived to add more variety to spring sports.

To conclude this year's sporting season, the Warriors fielded a spring baseball team. This enabled them to participate in the first IHSAA State Baseball Tournament.

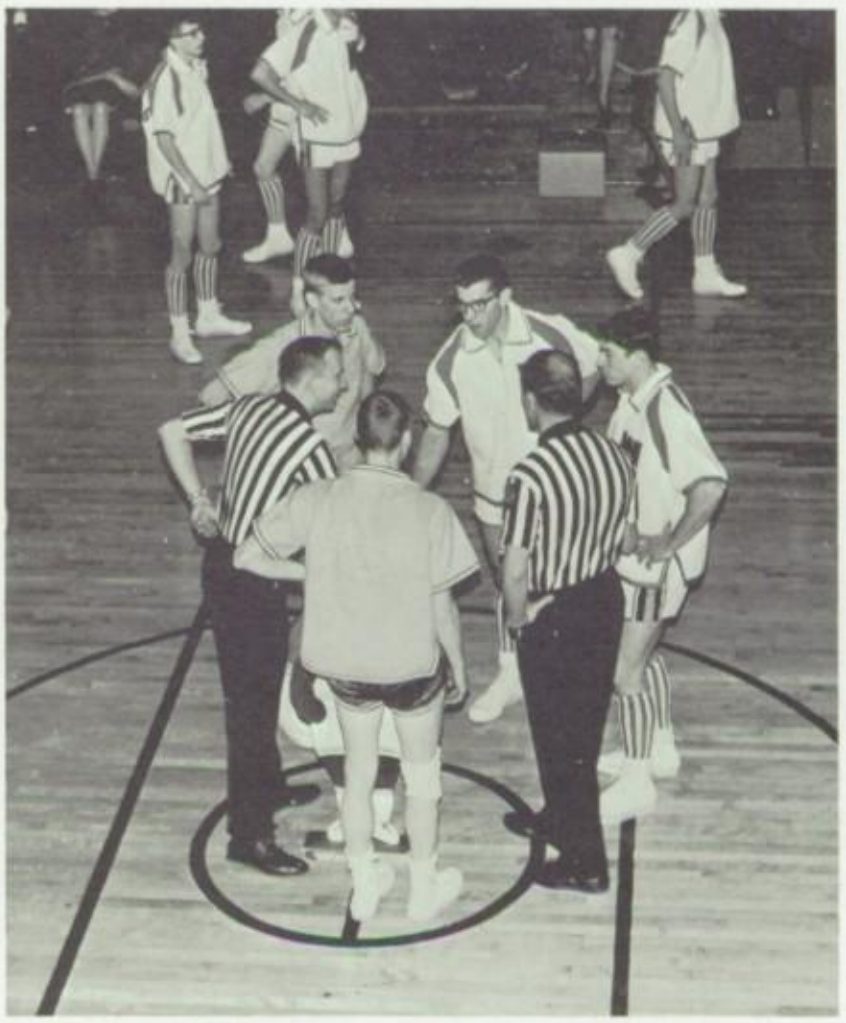
Lakeland In Sectional

Our first year together has been a very successful one for the Westview Warriors Varsity team with a 12-8 record. It was the first year for some of the boys to work with our fine coach, Mr. Spoerner. The team went into the Sectional with a lot of will power and did quite well. They avenged Ashley and Lakeland. In the final game of the Sectional they lost to the Hamilton Marines, 56-69.



Captains shake hands at pre-game introduction.

Jack Nelson adds 2 points to the score.

For The Future

This has been a good year for the reserve team. They boys have learned good sportsmanship and how to play together as a team. They returned from the NECC tourney with a victory having defeated the Wolf Lake Wolves 49-34 in the final game. Coach Marks and the boys have done an outstanding job for the first year of playing together as one school. We can all be proud of them. This team is our bright outlook for the future.

MR. ROBERT FIELDS, Coach

Westview High School was well represented when it fielded its first athletic team in N. E. C. C. competition. The baseball team compiled a winning season under the coaching of Mr. Robert Fields, who is now under contract to the West Noble School Corp.

The season opened with the boys taking the Westview Inivitational 4-Way Tourney. Later in the summer, the squad finished runners-up in the New Paris Tourney. The Warriors had an 8-8 conference mark and an overall record of 11-9.

LA GRANGE COUNTY CHAMPS

Track Team Takes N.E.C.C. Tourney

The high school track team topped off a winning season by taking the Northeast Corner Conference Tourney at Hamilton. The squad finished the year with a record of 18 wins, 3 losses, and was runner-up at the Lakeland Invitational.

The large number of underclassmen on the squad show the promise of a bright future in spite of the loss of five senior and two junior lettermen.

Tim takes each hurdle in stride to take another victory.

Album Section Has Twofold Purpose

All through school the anticipation of graduation is foremost in the minds of students. When young, they think of graduation as meaning maturity and adulthood, being able to live as it pleases them. However, when they are in their last two or three years of school, they begin to feel afraid and wonder why they aren't as mature and ready for graduation as the seniors before them.

This section of the yearbook is a twofold presentation of this year's classes. It affords to the underclassmen a feeling of anticipation and awe as they look forward to their senior days. To the seniors and alumni a time for reflection of happy memories of carefree days of yore.

Have Arrived

Dave Fought works at car wash to help earn money for the Senior trip.

The senior class of 1967 has had a great four years of high school. There have been parties, class projects, class plays, and a lot of hard work.

Each senior has had mixed feelings upon graduation from high school fear, anticipation, and happiness.

Soon the seniors will be starting out in new experiences. Whether they will be new jobs, college, or homemaking, we hope they are successful.

The junior year was inaugurated formally with the receiving of the class rings. Students participated in such money-making activities as a fall scrap drive and candy, card and sweatshirt sales. Trips to the state legislature proved to be both interesting and educational. Separate plays were given by the two sections. The year was brought to a close when we held receptions in honor of the graduating seniors.

This year has started many activities in the sophomore class. They started the year off with a joint hayride to get better acquainted. During the basketball season they earned money by having a coat check. They also earned money from a paper drive and a chili supper. The biggest event of the year was the ordering of their class rings. The style chosen was called "Tiffany." The class members are eagerly awaiting the arrival of their rings in the fall.

New Experiences Mark

The freshman class faced many new problems in their first year of high school--new subjects, teachers, friends, and experiences.

They found that high school was more enjoyable than they had expected but they are looking forward to graduation in 1970.

THE ROAD GOODBYE

The road I took was named Goodbye
The path looked strange. I wondered why
It left familiar things behind.
A hand caught mine...I paid no mind.

The stranger never once did say
Just what had brought him on my way.
On we went, and some afraid
I wished I hadn't come, but stayed.

All the friends that I once knew
Took a road named Goodbye too.
There were no two roads just the same
Though all were called Goodbye by name.

The road went on; we went on too,
And I was sad, for then I knew
That never could I be the same
Having walked down Goodbye Lane.

And though I couldn't understand
We walked together hand in hand.
We said no words, but just walked on,
I thought of things now past and gone.

I thought of games I'd lost and won,
I thought of all the things I'd done,
I thought of those I loved and cared,
Of times we'd had, of things we'd shared.

I thought of those I'd come to know.
Just knowing them--they'd helped me so.
I thought of things, of tears I'd shed...
Those same things now brought smiles instead.

The tasks I'd done, those left to do,
I wondered how I'd make it through
When something inside seems to say,
"The best you can from day to day."

The way was rough; I knew the score,
It never ends...there's always more.
But now I know that all in all
Each thing in its own place will fall.

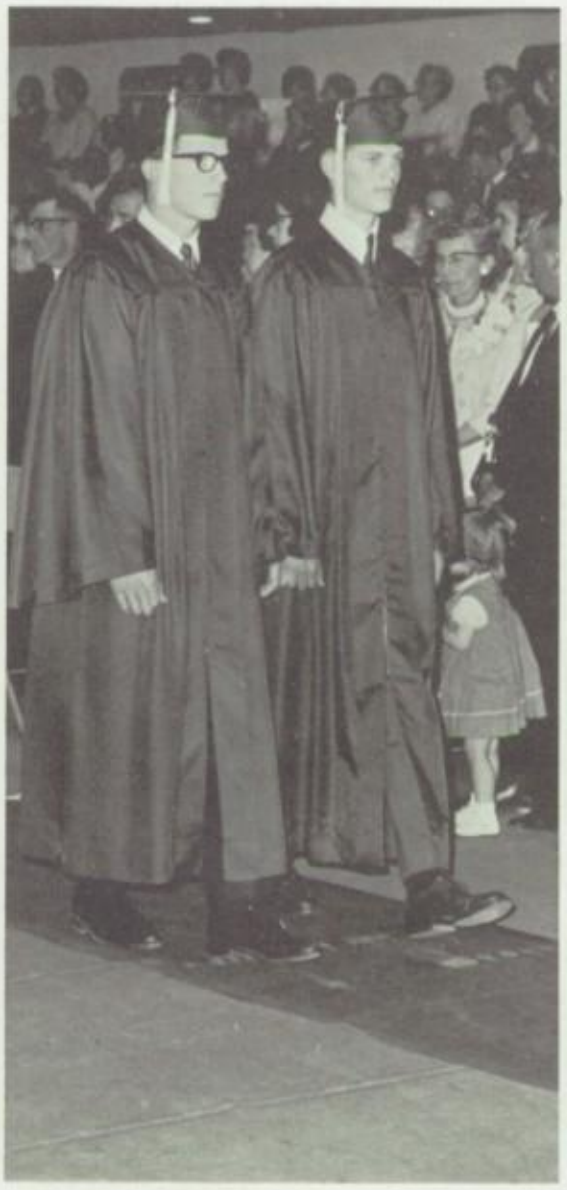
I thought of all the happy days,
The sad ones now just seemed a haze,
And in a flash I came to see
How much the past had meant to me.

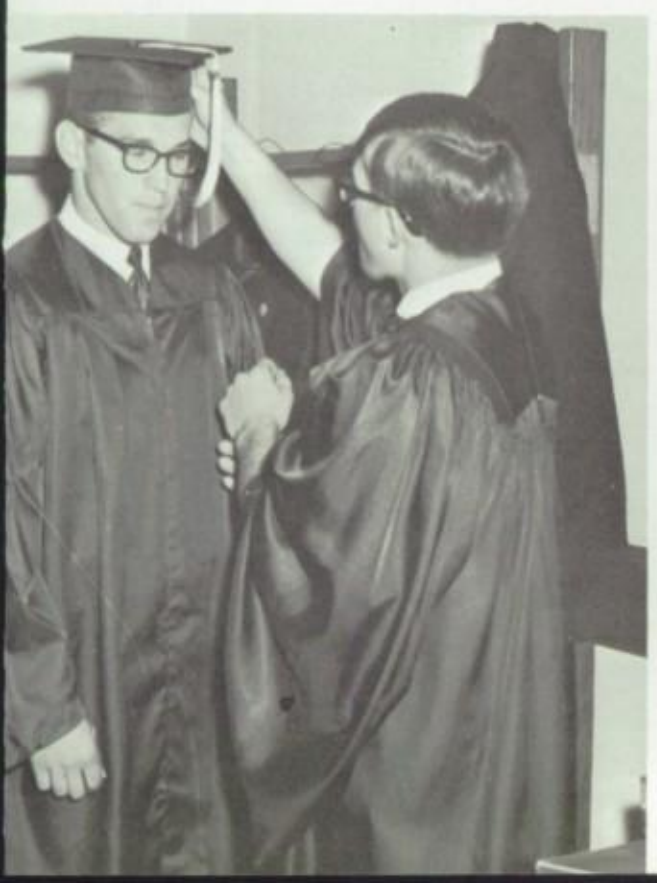
We walked along--I wondered where
The future led and what was there.
The past still echoed from behind
I was its, and it was mine.

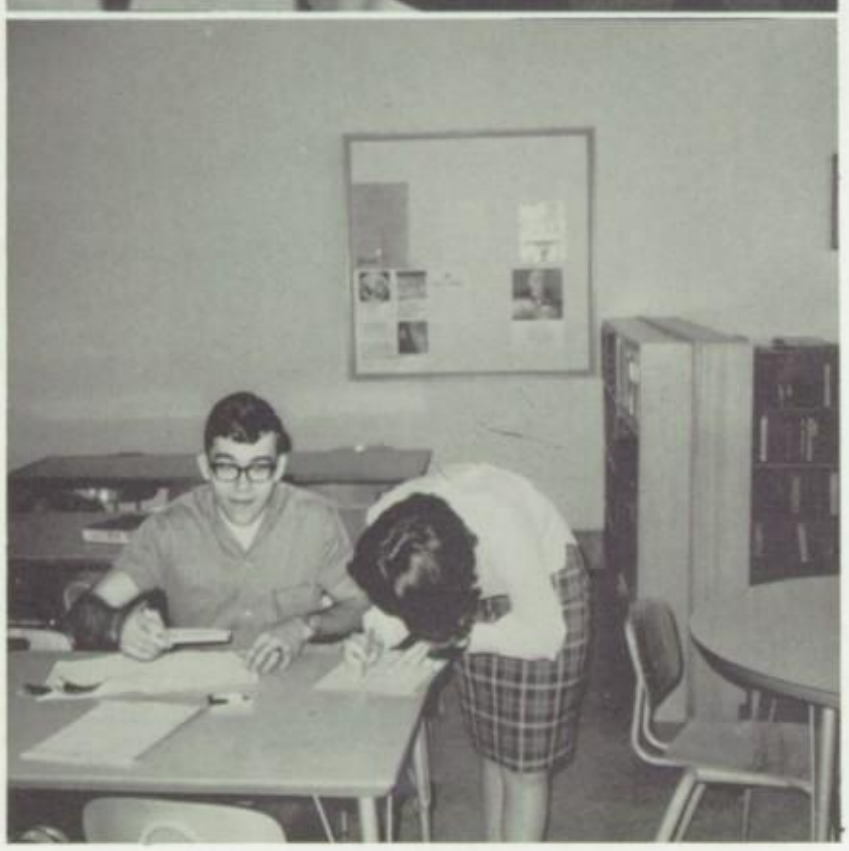
But in my heart was still a fear,
And in my eye a shining tear;
Yet on my face there was a smile,
And we walked forward all the while.

I walked along the road Goodbye.
I looked back once...I heaved a sigh.
Then I remembered at my side--
My silent, but my constant guide.

The stranger's hand I felt in mine.
I looked into his face this time.
I asked his name--he turned just so,
He smiled and said, "I'm called Hello."







Special Interest Included in Ads

In order to create more interest in this section of the yearbook we added something special to some of the pictures in the advertisements. We won't tell you what it is because we want you to look for yourself. Look at the pictures and see if you can find any familiar faces.

CIRCLE Pine

At this time it is my privilege to thank the '67 yearbook staff and Mrs. Johns, co-sponsor for all the long hours and hard work that they have put into this book. I would especially like to thank Mr. Garrigus for being my "Rock of Gibraltar" steadfast and never failing in his kind and patient help and understanding of the many problems involved in putting out a book such as this.

I have done my best in trying to edit a book that would be enduring and valuable to you in the years ahead. I hope I have succeeded in this goal in each individual's eyes.

Now I will have to say good-by to Westview High School and turn my job over to Winfred Jones and Lucy Lehman, co-editors for next year's book, and their staff.

I wish Winfred and Lucy much success in their difficult task ahead of them.
